RE: POWER OF ATTORNEY

I refer to your memorandum of 3 September 1996 and the documents attached to it.

An important issue to be determine in this matter is whether the Power of Attorney given to Mr. John Meint Smith over Anuha Island is valid and enforceable. This issue must be resolved by Mr. Smith.

A decision to investigate should only be taken after Mr. Smith has produced a court decision that he holds a valid and enforceable Power of Attorney over Anuha Island.
