Dear Hon. Prime Minister,

ENQUIRY INTO THE ANUHA AFFAIR

I have unofficial information that the enquiry I have requested into the Anuha Affair is progressing well.

However, recently I become aware that the Attorney General has instructed that there is no need for the investigators to go to Australia to get further information. I am concerned about this piece of information because if this is so, it would appear that the Attorney General is interfering with this investigation. Furthermore the key person to this issue Mr J.A. Smith is in Australia.

My dear Prime Minister, I consider the investigation incomplete without our investigators questioning Mr Smith in person. I therefore insist that the Police must go over to Australia to question Mr Smith on the issue.

Please let us have justice take its course. You promised us a transparent Government, do not let a half cooked investigation tarnish your Government's good intentions.

Mr Prime Minister, I am confident that under your leadership, this issue will be thoroughly investigated and settled once and for all.

I wish you all the best and God's Blessing in your difficult task.

Yours faithfully,

HON. P. MANETIVA
