07TH March 2005.

Dear Sir,

Reference to your telephone calls to me last week regarding reports you allegedly made to Senior Officials of the " REGIONAL ASSISTANCE MISSION TO SOLOMON ISLANDS" in early 2004.

I spoke to two Senior RAMSI/Participating Police Force Officers responsible for all our National Investigations. They were asked whether they sighted any case you had reported to them since last year. They denied seeing any case.

After reading the documents you sent to me last week ;I now realize the Royal Solomon Islands Police have done very little to assist in resolving the case.

I am therefore requesting that you make a formal complaint. It should contain FACTS of the case/s you are lodging. Send them to me by fax on the above address.

we can reconstruct the case/s again depending on the facts you will provide & documentary evidence you had given us.

Please accept my apology for any inconvenience we may have caused to you in the last 16 – 17 years.

Yours Sincerely,

JOHNSON SIAPU

Assistant Commissioner of Police
