Subject: Agenda for Brisbane Meeting 1 and 2 June 2015

Mr John Wasi, Mr Rence Sore, Mr George Kuper.

CC Mr Gabriel Victor Titili

Gentlemen,

Mr Victor Titili's most previous email on May 19th 2015, 4:47pm and copied to all of you confirms his inability to attend the meeting previously scheduled here in Brisbane. This meeting was to be attended by on all of us in this e-circulation.

I do acknowledge your Country's determination; not only to amicably resolve the 27 years old Anuha saga but more importantly resurrect Anuha Island to her rightful place as the Jewel of the Crown of Solomon Island Tourism Industry.

This meeting, though would have preferred to have been convened much much earlier by previous Solomon Islands Governments, is very historical and timely meeting in an era of enormous revival in the S Tourism Industry. To name only a few, the launch of National Tourism Development Strategy 2015-2019 by the Hon Prime Minister and the recent aggressive SI Tourism promotion in Australia culminating in the Honiara/ Sydney Solo Air launch on the 30th of May and recent appeal by the Hon Prime Minister for all available land to be utilised for Tourism development.

My email of 13th April 2015 requests that.. *"You would no doubt agree with me also that an agenda be drawn up to guide this important meeting. I request you list in bullet points and forward to me before your Asian trip the Government of the Solomon Islands suggested agenda points. I will thence forward to you my suggestions for agenda."*

Mr Titili's email of May 19th 2015, 4:47pm mentioned... *"...may you all amicably find the way forward to re-develop Anuha Islands for the sake of Pule family, Communities, CIP and SIG...."*

How would you want to see these entities mentioned above be incorporated; relative to agenda items for the meeting? How the compensation offered to me personally by the most previous Sogovare Government would be amalgamated in the meeting and consequently rechanneled to the development of Anuha and other primary industries like produce processing, Timber and wood products export and Maritime Industry in shipping and fisheries.

Your Mr George Kuper could vouch for my goodwill in hosting some former SI Prime Ministers, Permanent Secretaries, Senior Police and Commissioners etc over the last 27 years. Many with promises to resolve the Anuha saga. The writing is on the wall, that after 27 years nothing, nothing but false promises.

For once, Solomon Island has send this "high level delegation" and at such a time as this.

This is our time to make a difference to leave a legacy, so people will in years to come appreciate the efforts of this Sogovare Government and her very senior modern day Civil servants!

I look forward to your agenda items so I could add (if needed) my own suggested agenda points.

Please do forward your agenda points by this Wednesday 28th May 2015 morning so we could then set the parameters of the negotiations, and list concise directions aimed for the primary objective of a fruitful meeting; resultantly a favourable resolve for both parties reached.

May I reiterate my letter of 13th April, 2015.....

25/05/2015

John Smith

John

Kindly informed with sincere apology that due to some very strict directive from the PM, I was unable to accompany to DPM to Japan and Thailand, hence will be unable to join you all in the up-coming meeting in Brisbane. But instead I will be travelling to Manila via Brisbane on the 21/5/15. Please, make my other three Colleagues, John Wasi (PS C&T), George Kuper (Chief of Staff) and Rence Sore (SSPM) feel welcome into your shores and may you all amicably find the way forward to re-develop Anuha Island for the sake of Pule family, Communities, CIP and SIG for that matter. In the meantime, I will be travelling via Brisbane on the 6/6/15 and will be there up until the 8/6/15 before leaving Brisbane for Honiara. May be both of us can then should you wish to meet with me. Thanking you in advance for your understanding.

PS PS

I have made a tentative booking for 3 - travel Hon/Bne on 29 May and return on 3rd June.

I also wish to mention that I will be in Sydney for the launching of the Solair route on 30 May and 1st June so would it be possible to meet up with John Smith on 2nd? That would also give you time to rest after your flight from Japan. Just a suggestion.

Regards

John

Dear John

As per our (John/Gabriel) earlier conversation, I hereby kindly inform you that I will travelling back through Brisbane from Bangkok on the 31st May 2015 and will leave Brisbane on the 3rd of June 2015.

A 3 member high level delegation from the Office of the Prime Minister and Cabinet (SI) will be travelling from Honiara to Brisbane to team up with myself for the proposed meeting to "Redevelop Anuha Island" that we both agreed to earlier. I am hoping that we all meet either on the 1st or 2nd of June 2015 to map the way forward.

I will email you before my departure from Honiara for Tokyo on the 19th of May 2015 where I will accommodated during my return from Bangkok in Brisbane.

Thank you.
